

CLINTON COUNTY DEVELOPMENT ASSOCIATION

In partnership with Wild Rose Casino & Resort

2017 ANNUAL REPORT

Since the beginning of riverboat gambling in this area in 1991, the Clinton County Development Association (CCDA) has awarded more than \$27 million dollars to deserving county organizations. The CCDA's purpose is to provide financial assistance through grant programs for communities and local charities that provide an improved overall vitality and quality of life in Clinton County, through their educational, social, cultural, and environmental programs and initiatives. Organizations propose individual projects that are independently rated by our Board Members. Those projects that capture the hearts, minds, and imagination tend to receive a greater proportion of funding.

In 2017, more than \$1.2 million was awarded to non-profit organizations through grants, pledges, and scholarships. These dollars can be seen throughout Clinton County providing improvements to services that enhance the lives of residents. Examples of projects include: grants for

personal protective gear for every fire department in Clinton County; funds awarded to Lyons District Clinton, Felix Adler Days; Symphony of Lights and Grand Mound Independence Day for various festivals; funds for a sound system for Clinton High Band; grants for programs at organizations such as Information, Referral and Assistance Clinton, Kids First Academy in Camanche; Clinton County Ag Society, DeWitt and Midwest Lumber Museum. In addition, the Board made a \$500,000 commitment to be paid over five years for a new linear accelerator for cancer radiation treatment at Clinton's Mercy Hospital.

The CCDA proudly supports a diverse selection of Clinton County non-profit organizations, and all of these projects add to the already impressive list of projects partially funded by CCDA dollars. CCDA is the non-profit license holder for the Wild Rose Casino and distributes a percentage of profits from Wild Rose to surrounding non-profit organizations.
